Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

It may also interest you to know that the "FCC AUTHORIZED Charge for network Access" is an Illegal charge. It was placed on my phone bill by a "JUDGE" which most people know Judges do not make laws.. For further info on this matter I can send Congressman Weldon's letter to me or contact him yourself. Thank You..Joseph A. Gibson 867 Blossom Dr.
